Cable News EBERHART QUILTS ROOSEVELT

[Associated Press Cable]

NEW YORK, N. Y., July 12.—Another
day of heavy losses for the Pro-
gressives left Theodore Roosevelt ap-
parently unperturbed. At his home in
Oyster Bay he talked about almost ev-
erything on earth save only the pros-
pects of the success of the Third party
and his plans.

He avoided any comment upon the
strictures made upon him by Senator
La Follette, who attacked the Colonel
bitterly in his magazine today, and
called the Rough Rider some hard
names.

Colonel Roosevelt also evaded com-
ment upon the reported action of Gov-
ernor Eberhart of Minnesota, who, ac-
cording to dispatches from St. Paul,
has declined to follow his former
leader in bolting the Republican party,
and asserted that he would rather
support a Democrat.

The news that Charles Crane of Chi-
cago and one of the backers of Sena-
tor La Follette at the national conven-
tion, had switched over to Wilson and
would support the Democratic candi-
date reached Oyster Bay late and
brought forth nothing save that state-
ment, "We'll wait and see how things
go later on."

DUKE AGAIN WINS IN RELAY

STOCKHOLM, Sweden, July 12.—
Duke Kahanamoku, the Hawaiian
swimmer, again proved his superiority
today when by his great speed he en-
abled the American 800-meter relay
team, of which he, McGillivray and
Hebner were members, to win first
place in the big race.

The big Hawaiian boy was given an-
other ovation by the enormous crowd
when he left the water after making
a great showing. His popularity is
increasing rather than decreasing ev-
ery day.

BRITAIN'S PROTEST HAS NO EFFECT.

WASHINGTON, D. C., July 12.—
Great Britain was more or less direct-
ly snubbed by the Secretary of State
today when in a communication to the
Senate, Mr. Knox informed that body
that he would not in any way allow
outside comments to affect his attitude
toward Panama legislation. He de-
clared that the State Department
would leave to Congress all legisla-
tion affecting the Canal Zone, and
that he expected that Congress would
act upon the proposed bill, without be-
ing influenced by the formal protest
against the measure filed by Great
Britain.

FAIR COMMISSIONERS RETURN MOST SUCCESSFUL.

NEW YORK, N. Y., July 12.—The
commissioners for the Panama expo-
sition who have been touring Europe
securing promises for the exhibits of
foreign countries for the World's fair
in San Francisco in 1915, returned
here today. Practically every country
in Europe and western Asia has been
visited by one or more of the com-
missioners.

All the commissioners report that
their various missions have been
amazingly successful. They report
that practically every country they
visited has promised to participate in
the great fair. It is announced by
them that the exhibits will begin ar-
riving at San Francisco during the
latter part of next year or as soon
thereafter as the respective buildings
erected by the foreign countries are
completed.

It is expected that the exhibits
made by the foreign countries will be
the greatest ever made at a world's
fair.

LAUD GILLES BUT REFUSE LICENSE

After lauding the personal character
of J. A. Gilles, freely offering testimo-
nials and eulogiums to his good repu-
tation and declaring that they could
not ask for a better man as the pro-
prietor of a saloon, the board of li-
cense commissioners yesterday after-
noon denied Gilles a license to open
a new liquor establishment on Hotel
street.

The refusal was based on the rec-
ommendations of Inspector Fennell
and the Anti-Saloon League, both set-
ting forth a statement of the fact that
that particular section of the city al-
ready is filled with thirst-quenching es-
tablishments and is not need an-
other. Gilles was present with an at-
torney, who spoke briefly in favor of
his petition, but the business was dis-
posed of quietly and without argu-
ment.

The board postponed action on the
applications of Joseph Frias and R.
W. Holt until the next regular meet-
ing, which will be held in August. The
fifth-class license of the Honolulu
Brewing & Malting Company was
transferred to the Hawaii Selsku, Ka-
waisha, Ltd., with the provision that
the new concern manufacture only
saki.

eliminated, and the circulation of the
HONOLULU STAR-BULLETIN is
getting down to the absolute basis of
a bed-rock standard.

**More than Four Thousand was our pro-
mise at the outset. We now guarantee
that it will be nearer Five Thousand each
day.**

That is a circulation never before
equaled in Honolulu. Remember that
